### Terms and Conditions of Sale

#### ACCEPTANCE

All orders are subject to acceptance by Abatement Technologies, Ltd. Possession of this price list does not constitute an offer to sell.

WE RESERVE THE RIGHT TO CHANGE THE TERMS AND CONDITIONS OF SALE AND PRICES WITHOUT PRIOR NOTIFICATION. IT IS RECOMMENDED THAT PRICING BE CONFIRMED IN WRITING AT TIME OF ORDER PLACEMENT. THIS PRICE LIST SUPERSEDES ALL PREVIOUS PRICE LISTS.

#### PRICING AND PAYMENT

Prices herein are listed "per case." Products are sold in full case quantities only. Unless prior alternative arrangements have been made, all orders require payment in full via wire transfer, bank draft (cashiers check) or credit card (Mastercard and VISA) prior to shipment. Orders for special or non-stock items will require a 20% nonrefundable deposit with order. For purchasers who qualify, third party leasing programs are also available. Information on these programs is available through our Customer Service Department. Minimum order is \$100.00.

#### SHIPPING AND HANDLING CHARGES

Purchaser is responsible for all shipping and handling charges. All goods are shipped FOB origin, "freight collect" unless other arrangements have been made in advance with our Customer Service Department. Purchaser should specify carrier at time of order. Small orders will be sent collect via UPS whenever possible. Customer pickup orders must be scheduled in advance with our warehouse.

#### FREIGHT CLAIMS

Since goods are shipped "FOB Origin," title to goods passes to purchaser upon delivery to freight carrier. All shipments should be closely inspected upon receipt by the purchaser for damage and/or shortage. **Purchaser must note any damage, suspected damage or shortage on the delivery receipt at the time of delivery. By law, any freight claims must be made directly by the purchaser against the delivering carrier, including any claims for damage, concealed damage and/or loss. We will render all reasonable assistance with such claims.**

#### DEFECTIVE GOODS

Please contact our Customer Service Department immediately if any goods received from us are defective. Defective goods under warranty will be either repaired or replaced at our option. Refer to the "Limitations of Warranties and Remedies" section below:

#### LIMITATIONS OF WARRANTIES AND REMEDIES

Our commercial non-consumer products are warranted to be free from defects at time of shipment to the user. Our only obligation to the commercial user will be, at our option, to repair or replace any portion proving defective or to refund the purchase price thereof. The commercial user assumes all other risk, if any, such as the risk of any direct or consequential loss or damage arising out of the use of, or inability to use, these products. We make this warranty to the commercial user in lieu of any warranties of merchantability, fitness for particular purposes and all other warranties, express or implied. In no event shall we be liable for any consequential or incidental damages for any claimed defect, breach of warranty or breach of contract. No deviation is authorized. Our products are sold only with warranties implied by law.

All specifications contained herein are based on the latest product information available at the time of printing. Abatement Technologies reserves the right to: (1) make changes at any time, without notice, to product designs, specifications, materials and colors, (2) introduce new products to the marketplace, and (3) discontinue products as it sees fit.
