TERMS AND CONDITIONS OF SALE

UNLESS OTHERWISE PROVIDED BY SEPARATE WRITTEN AGREEMENT DULY SIGNED BY AN OFFICER OF ABATEMENT TECHNOLOGIES, INC (HEREINAFTER REFERRED TO AS "ATI") ANY SALE OF GOODS BY ATI IS EXPRESSLY CONDITIONED UPON ACCEPTANCE OF THE TERMS AND CONDITIONS SPECIFIED BELOW. ACCEPTANCE OF ANY GOODS SHALL BE DEEMED TO BE AN ACCEPTANCE BY PURCHASER OF SUCH TERMS AND CONDITIONS. ANY ADDITIONAL OR DIFFERENT TERMS AND CONDITIONS IN PURCHASER'S PURCHASE ORDER OR ACKNOWLEDGMENT OR OTHER RESPONSE ARE HEREBY OBJECTED TO AND SHALL BE OF NO EFFECT.

ACCEPTANCE

All orders are subject to acceptance by ATI. Acceptance of all terms and conditions stated herein is an express condition of this sale. No additional or different terms or conditions may be added and are deemed objected to by ATI and shall be of no effect. Acceptance of any goods by Purchaser shall be deemed an acceptance of the terms and conditions stated herein.

PRICING

ATI reserves the right to change pricing without prior notification. All prices are in US dollars.

TAXES

In addition to the prices specified in ATI's then current price list, or as otherwise applicable hereunder, the amount of any present or future tax applicable to the sale, manufacture, delivery or handling of the goods sold, shall be deemed to be for the account of, and shall be paid by Purchaser. ATI may, at its option, include the amount of such tax in the invoice.

CREDIT AND TERMS

Refer to the section entitled "CREDIT AND TERMS" on ATI's then current Price List for the particular goods which are expressly incorporated herein by reference.

PAST DUE ACCOUNTS

Accounts with past due invoices must be brought current prior to shipment of any additional orders. Past due accounts are subject to credit review and reduction or revocation of open credit.

FREIGHT POLICY

Refer to the section entitled "FREIGHT POLICY" on ATI's then current Price List for the particular goods which are expressly incorporated herein by reference.

FREIGHT CLAIMS

For orders that are shipped F.O.B. origin, title to the goods passes to the Purchaser once ATI delivers them to the freight carrier. Whether an order is shipped freight collect or prepaid and charged back, the Purchaser: (a) bears all freight charges, (b) has title to the goods in transit, and (c) is responsible for filing freight claims if necessary. **Please note: All shipments should be closely inspected upon receipt by the Purchaser for damage, suspected concealed damage, and any shortage. Purchaser must note any damage, suspected concealed damage or shortage on the delivery receipt at the time of delivery. Once a "clear" delivery receipt has been signed, there is virtually no recourse against the carrier.**

DELAYS

ATI shall not be liable for failure to deliver or delays in delivery occasioned by or due to (a) fires, floods, inability to obtain materials or shipping space, breakdowns, delays of carriers or suppliers, labor troubles, acts, regulations or requests of any government agency; or (b) any cause beyond ATI's control. In the event of ATI's inability, for any cause beyond its control, to fill Purchaser's order, ATI may allocate its available supply of goods ordered among any or all purchasers, on such basis as ATI in its sole discretion may decide, without liability to Purchaser for any failure to perform ATI's contractual obligations which may be consequence thereof.

RETURNED GOODS

Goods may be returned only upon receipt of a written return authorization from ATI Customer Service Department. Returns are subject to the following conditions:

1. ATI's Customer Service Department must be notified within 14 days of shipment date of Purchaser's desire to return goods.
2. Returned goods must be received by ATI within 30 days of original ship date. Return shipment must be sent "freight prepaid." Collect shipments will be refused.
3. The return authorization (RA) number issued by Customer Service must appear on the return shipment.
4. Returned goods are subject to inspection. Goods must be in their original condition and packaging. No partial cases may be returned. No credit will be issued on used or damaged goods.
5. Returns may be for merchandise credit only. No refunds will be made.
6. A 20% restocking charge plus any prepaid freight charges will be deducted from the merchandise credit.
7. Custom, non-stock, discontinued, special or private label goods may not be returned.
8. After 30 days, all sales are final and goods may not be returned to ATI for any reason.

LIMITED WARRANTY

ATI warrants that goods sold to Purchaser shall be free from defects in material and workmanship, except such as are commercially acceptable. ATI DOES NOT WARRANT THAT THE GOODS SOLD ARE MERCHANTABILITY OR FIT FOR ANY PARTICULAR PURPOSE. ATI MAKES NO WARRANTIES OTHER THAN AS STATED IN THE FIRST SENTENCE OF THIS PARAGRAPH. ALL OTHER WARRANTIES, GUARANTIES, OR REPRESENTATIONS, EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, ARE EXPRESSLY DISCLAIMED. Goods found by ATI to be defective or not to conform to specification shall upon return be replaced or repaired by ATI without any additional charges, or, at ATI's option, ATI may refund the purchase price of such goods. ATI will pay return transportation charges on returned goods not exceeding the transportation charges applicable to shipment from original destination unless the returned goods are free from defect and conform to specifications. Returned goods which are found by ATI to be free from defect and to conform to specifications shall be held for Purchaser's shipping instructions, which instructions Purchaser shall furnish promptly upon request. ATI's LIABILITY SHALL IN NO EVENT EXTEND BEYOND REPLACEMENT, REPAIR OR REFUND OF THE PURCHASE PRICE AND ATI SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR SPECIAL, CONTINGENT OR CONSEQUENTIAL DAMAGES, NOR FOR LOSS, DAMAGES, OR EXPENSES DIRECTLY OR INDIRECTLY ARISING FROM THE USE OF THE GOODS, INCLUDING WITHOUT LIMITATION, WAREHOUSING, LABOR, HANDLING AND SERVICE CHARGES, DIE, EQUIPMENT, OR MACHINE BREAKAGE, NOR FOR COSTS, LOST PROFITS OR LOSS OF GOOD WILL. THE USE OF SUBSTITUTE, NON-ATI PARTS AND/OR FILTERS, IN ANY ATI PRODUCT, VOIDS ALL WARRANTIES AND PERFORMANCE CLAIMS. THE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE.

CHANGES AND WAIVERS

No change or waiver of any of these terms and conditions shall be valid unless in writing and signed by the party against whom such claimed change or waiver is sought to be enforced. No waiver by ATI of any breach of any term or condition hereof shall be deemed a waiver of any other breach of such term or condition. ATI's failure to object to any provision in any communication from Purchaser shall not be deemed an acceptance thereof or a waiver of any of the terms and conditions hereof.

GOVERNING LAW

This sale and agreement will be construed and governed by the laws of the State of Georgia. Any action or claim arising out of or relating to the manufacture, purchase or sale of the goods described on the face side of this document shall be brought only in a state or federal court located in the State of Georgia. Purchaser consents to jurisdiction in the state and federal courts sitting in the State of Georgia.
