Follow The Leader

For more than 25 years Abatement Technologies has led the way with innovative, high quality environmental remediation products. Our cost-effective lead abatement products can help contractors and facility owners control lead particles that are airborne or have settled onto surfaces, and comply with the Lead; Renovation, Repair and Painting Program final rules issued by U.S. EPA under Section 402 (c) (3) of the Toxic Substances Control Act (TSCA).

PREDATOR® 1200 Portable Air Scrubber (P/N PRED1200)

- Ultra-tough rotational molded polymer cabinet
- Upright, exceptionally mobile design, only 70 lbs.
- Variable airflow, 300cfm - 900cfm
- True IESO Class 5 HEPA filtration efficiency (99.97%)
- 2 Particle pre-filters included
- Optional VAPOR-LOCK® carbon gas/odor filter
- Separate mounting shelf for each pre-filter
- Attached 10" inlet & outlet collars
- Typically provides 6+ ACH in areas up to 7,500-9,000 ft³

PREDATOR® 600 Portable Air Scrubber (P/N PRED600)

- Ultra-tough rotational molded polymer cabinet
- Lightest weight scrubber available (34 lbs.)
- Variable airflow, 200cfm - 600cfm
- True IESO Class 5 HEPA filtration efficiency
- Attached 10" inlet & outlet collars
- Interlocking top & bottom feet for secure stacking
- Optional VAPOR-LOCK® carbon gas/odor filter
- Typically provides 6+ ACH in areas up to 5,000-6,000 ft³

V8000WD Portable Wet/Dry HEPA Vacuum Kit

- Powerful airflow (135cfm) & suction (92 in. of water)
- 8-Gallon tank capacity
- Ultra-tough rotational molded polymer canister
- Low profile, highly mobile design
- High capacity bag pre-filter & 99.97% HEPA filter
- Optional beater bar power nozzle available

V1300H Hip-Mounted HEPA Vac

- Weighs just 6.4 lbs.
- 99.97% True HEPA filter @ 0.3 microns
- 0.8 H.P. Blower motor
- 100 cfm airflow; 95" static lift

DC3300 Disposable White Coveralls

- Attached hood with elasticized wrists & ankles
- Gathered waist
- Polypropylene laminated to a breathable film barrier
- Durable 60 grams per square meter (gsm) fabric
- Protective flap over front zipper
- High quality but less expensive Tyvek® alternative - meets the same Class 3 requirement
- Resistant to most liquids
- Individually packed, 25/case, in L, XL, 2XL, 3XL & 4XL

DC3350-XL Disposable High Top Boot Covers

- One size fits all (XL) in white
- High top design
- Heavy duty, non skid sole
- Elasticized ankles
- 100 pairs per case

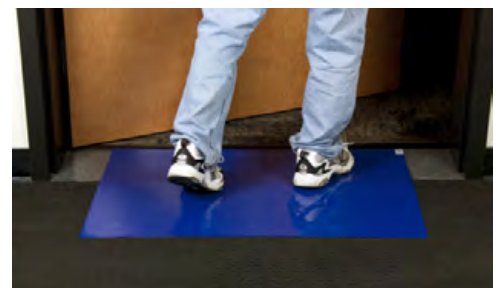

Zipwall® Particle Containment Barrier

- Builds various enclosure sizes and shapes
- Fast & easy assembly
- Adjustable, twist & lock poles
- Poly sheeting rolls available, 10' x 100' x 4mil
- Usable with barriers up to 8 mil
- Standard HC4PL Kit includes: 2 ea. HCFR2 rails, 4 ea. HCKT12 poles, 4 ea. HCGD2 grip disks, 2 ea. HCAZ12 zippers and 1 ea. HCCB1 carry bag
- Economy pole kit also available (HCZP4)

Sticky Mats (24" x 36" Blue Mats, 30/Pack)

- Place at exit points from the work area
- Adhesive on top surfaces removes construction dust particles from shoes & wheels
- Top layer is peeled away when dirty
- Part # SM2436C: 4-pack case
- Part # SM2436CTN: 1- pack carton

Abatement Technologies, Inc. (U.S.) and Abatement Technologies, Ltd. (Canada) carry a large inventory of these and other lead remediation products in our warehouses for “same day” shipment of most orders.

K1-GM-13 Adhesive Backed Grill Masks

- Seal off supply and return air grills
- Prevent HVAC system contamination
- 3 ea. 13” wide x 185’ long rolls/case
- Convenient dispenser available (K1-GM-DS13)

P-CM335 Adhesive Carpet Mask

- Protects carpets from lead dust, dirt & high traffic during construction & remediation
- Easy to unroll & apply
- Decreases cleanup time & cost
- Resists tear & punctures & is skid resistant
- Moisture resistant, residue free adhesive
- 120-Day maximum application time

P-FM700 Adhesive Floor Mask

- Protects hard floors & other surfaces from lead, dust, dirt & high traffic during construction & lead remediation
- Easy to unroll & apply & is reusable
- Light-tack self-adhesive mask is safe for cured hardwood floors, non-porous tile, cultured marble & counter tops
- Decreases cleanup time & cost

Blue, UV-Resistant Masking Tape

- Good for all indoor & outdoor surfaces & in direct sunlight
- Residue free when left in place up to 7 days
- Non-staining
- Available in 6-roll sleeve (P-505) or 24-roll case (P-500)
