

RAPTOR™ CENTRIFUGAL AIR MOVERS

Advanced Drying Technology for Restoration Professionals

Abatement Technologies is pleased to introduce the new RAPTOR Centrifugal Air Movers (CAM), designed and built for restoration professionals.

BUY DIRECT & CUT OUT THE MIDDLEMAN

You can purchase RAPTOR Centrifugal Air Movers direct from Abatement Technologies, a company that industry professionals have relied on for more than 25 years for products that provide exceptional quality and reliability.

NORTH AMERICAN QUALITY AT OVERSEAS IMPORT PRICES

RAPTOR Air Movers provide quality, features and performance comparable to other top of the line models that are also made in the U.S. or Canada, yet they are priced competitively with air movers imported from Asia.

SAFETY FIRST

Why risk potential electrical safety or fire issues by buying non-approved air movers? RAPTOR Centrifugal Air Movers are certified by Intertek Environmental Testing Laboratories to conform with applicable UL and CAN/CSA safety standards for the U.S. and Canada.
