

# ABATEMENT TECHNOLOGIES' DUCT CLEANING MARKETING & SALES SUPPORT MATERIALS.

Abatement Technologies offers a wide variety of effective sales support materials to aid in building and expanding a successful residential and / or commercial duct cleaning business.

These economically priced materials are available only to companies who have purchased HEPA-AIRE® Portable Power Vacuums.

K99-125 (100/pkg)

## Brochures

Three high-quality, full color brochures are available for professional sales presentations, mailings, or tradeshow handouts. This includes two economical and effective tri-fold brochures (K99-100 and K99-125) for marketing your duct cleaning service to homeowners. Both are sold in packages of 100 and fit into a standard business envelope. "Healthiest Business Investment" is a four-page high-gloss brochure for effective presentations to commercial prospects. This four-page laminated brochure is sold in packages of 50. (Part Number: K99-150)
